FEATURED SPEAKER

Meet Lee Chappell Monroe

Lee has been creating since she first discovered crayons at age 2! She's from a family of quilters and learned everything from her mother, affectionately known as The Guru. She loves all things fabric—from zippy pouch to queen size quilt—and everything in between. With a love of color and bold graphic shapes, Lee enjoys designing patterns and teaching all types of classes, while sharing her adventures on her blog, www.maychappell.com. She is a trained graphic designer which shows in her clean

aesthetic. Her work has appeared in multiple publications, including *Stitch*, *Quiltmaker* & *Modern Patchwork*. Lee is also a BERNINA Ambassador and Craftsy instructor. She is President of the Triad Modern Quilt Guild. Lee lives in beautiful North Carolina with Mack the Chihuahua.

Why May Chappell? There are always loads of questions about why the company is May Chappell and not Lee Chappell Monroe. You can read all about it here. The short version is that it is named for an awesome lady, my great grandmother.

Be sure to check out her website for Lee's "Terrific Tip Tuesdays" and "Terrific Tool Thursdays."
