

Phyllis Reeve Workshop

Saturday, April 27, 2019

10:00 a.m. to 4:00 p.m.

Cave Spring Methodist Church

4505 Hazel Drive

Roanoke, VA 24018

The workshop will be AURA (supply list attached). The cost for guild members is \$50.00 and will include snacks and drinks. Bring a bag lunch! The work shop will be reserved for guild members until March 2, then it will be opened up to non-guild members for \$60.00. The class is limited to the first 20 registrations. We will have a wait list if the class fills up quickly.

Phyllis is happy to sell the rulers that are required for this quilt at a 15% discount. She will need to know what rulers and how many by March 23, 2019. You will pay Phyllis for the rulers the day of the class.

AURA (6 hour class)

Aura is a beautiful quilt that uses both V-blocks and Shoofly blocks. Everyone has scraps of fabric at home that they have collected from past projects. Maybe it is a collection of fat quarters or layer cakes that they want to use to create the "scrappy" look. No matter how the scraps have been collected, this is a fun quilt to do, and you can make it in any size from a baby to a king -- just keep cutting scraps. You can choose to make 6", 9", or 12" blocks depending on how big you want the finished quilt top.

Class Requirements

- V-Block ruler - \$22.50
- Tucker Trimmer - \$20.50
- Seamingly Scrappy Booklet - \$18.95

Phyllis can provide the rulers for purchase and can offer us a 15% discount. Will need to know what rulers you want to purchase from Phyllis by Saturday, March 23, 2019.

The book Seamingly Scrappy Booklet is also available on Amazon for less than the price Phyllis is offering. According to Phyllis we do not need the book to make this quilt. I have purchased the book through Amazon.

Title: *Aura*

Time: All day class

Description: Everyone has scraps of fabric at home that you have collected from past projects. Maybe you have fat quarters or layer cakes that you want to use to create the "scrappy" look. No matter how you have collected your scraps, this is a fun quilt to do and you can make it in any size from a baby to a king, just keep cutting scraps. Purchase background fabric and a V-block ruler and you are ready to go. We will be making 9" or 12" finished blocks during class but I will show you how easy it is to make the blocks any size depending on the look you want.

Supply List for Students

1. Sewing machine and cords
2. Pins, seam ripper, rotary cutter and mat, washable marker (thin)
3. Deb Tucker's **V Block ruler**
4. Ruler for squaring up $\frac{1}{2}$ square triangles (**Tucker Trimmer** strongly suggested)
5. Scraps of fabric in sizes of $3\frac{1}{2}$ " squares (or $4\frac{1}{2}$ " squares for the 12" finished blocks) and 4" squares (or 5" squares for the 12" finished blocks).
6. Background fabric (should be solid or tonal)
7. Optional: Deb Tucker's **Tucker Trimmer and Magic Wand**

Before class decide whether you want to make 9" or 12" finished block. The bigger the blocks, the bigger the circles they create. I recommend the 9" blocks for a lap or twin and the 12" blocks for a queen.

Before class cut the following for 9" Blocks

- $3\frac{1}{2}$ " squares from scrap fabric*
- $3\frac{1}{2}$ " squares from background fabric
- 4" squares from background fabric
- 4" squares from scrap fabric
- 3-4" strips wof from background fabric. Bring extra background fabric to class.

Before class cut the following for 12" Blocks

- $4\frac{1}{2}$ " squares from scrap fabric*
- $4\frac{1}{2}$ " squares from background fabric
- 5" squares from background fabric
- 5" squares from scrap fabric
- 3-5" strips wof from background fabric. Bring extra background fabric to class.

*If you are using fat quarters or large pieces for your scraps, cut $3\frac{1}{2}$ " strips by the width of your fabric.
